## **TOWER OF POWER AND THE AVERAGE WHITE BAND JOIN THE GREEN MUSIC CENTER SUMMER 2018 LINEUP**

(Sonoma County, CA) — An additional show has been added to the 2018 lineup at Weill Hall + Lawn, the summertime concert space at Sonoma State University's Green Music Center. Legendary band and East Bay Area favorites Tower of Power with special guests Average White Band perform in concert on Saturday, September 22, 2018, at 7:30 p.m. Since its formation in Oakland, California in 1968, Tower of Power has forged a reputation as a crack band of high achieving musicians fluent in all realms of Soul, Rock, and Pop music with a sophistication and punch like that of a Jazz big band. The opening act for the evening is Average White Band, a group widely regarded as one of the best soul and funk bands in the history of music.

During July, August, and September, the rear wall of Weill Hall is fully opened to reveal the beautifully landscaped and terraced Weill Lawn. A giant video screen projects the performance on stage in real time so that every patron on Weill Lawn has a close-up view of the stage. Seating is available both inside the concert hall and outdoors in table and lawn seating, taking full advantage of unparalleled views of the Sonoma mountains. Lawn patrons are encouraged to bring blankets and low-back folding chairs and to pack a picnic or enjoy on-site concessions during the concert.

New for Summer 2018, tumblers are now available for purchase at our concession stands and may be brought into Weill Hall. Outside liquids are not permitted on-site. Free water bottle filling stations are available. For all summer performances, lawn tickets for children ages 2-12 are half price and children under two are free.
